7th Annual Bill Carlson Golf Classic

The 7th Annual Bill Carlson Golf Classic will be held on Saturday, May 20th at the Tarry Brae golf course located on Pleasant Valley Road in Fallsburg.

Bill was an all-around good guy. Bill was a Past Chief of the Hurleyville Fire Department and worked at the Terry Brae golf course for many years. When he was Chief the fire department won its first “Blue Ribbon Trophy” at the Sullivan County Volunteer Firemen’s Association parade. He would set a mark for all of our Chiefs to follow. His love of the fire department and mowing was the inspiration for the golf tournament in his honor.

The tournament starts at 1:30 with a shotgun start. The \$85 fee includes lunch and the awards banquet, green fee, cart and cold drinks all day long. In addition to all of that there is a closest to the pin contest , a log drive contest and raffles.

We are looking for tee box sponsors and prizes for the raffle. If you would like to sign up to play, donate a prize or need more information please call John Jaycox at (845) 866-6431.
